We are unable to guarantee a specific day for practice or games. Our games will be Tuesdays and Thursdays with the occasional Saturday. Practices will be based on the weather. We intend to hold many practices during the year but we also understand that everyone has commitments away from baseball and we understand that being present 100% of the time may not be possible.

We will communicate using a group text message and with FaceBook. Please follow us at “whirlpool cubs”. Upcoming games, practices, and cancellations will be listed. No event is cancelled until posted and although we try to notify parents at the earliest possible time sometimes events are not cancelled until right before.

Please notify a coach if a player will miss a game.
